

Independent Auditor's Report

To the Members of Torrid Solar Power Private Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying financial statements of Torrid Solar Power Private Limited ("the Company") which comprise the Balance Sheet as at March 31, 2025 and the Statement of Profit and Loss for the year ended, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st 2025, its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of Key audit matters as per SA 701 is not applicable to the company as it is an unlisted company.

Branch

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we enclose in the Annexure – B, a statement on the matters specified in paragraphs 3 and 4 of the said Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

- (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" to this report; Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.
- (g) According to the information and explanations given to us and on the basis of our examination of the records of the Company, managerial remuneration has not been paid /provided. Accordingly, reporting under section 197(16) of the Act is not applicable; and
- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which could impact its financial position.
 - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts,
 - i. no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities 'Intermediaries', with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - ii. no funds have been received by the company from any person or entity, including foreign entities 'Funding Parties', with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- iii. Based on audit procedures carried out by us, that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- v. The Company has not declared or paid any dividends during the year and accordingly reporting on the compliance with section 123 of the Companies Act, 2013 is not applicable for the year under consideration.
- vi. Based on our examination which included test checks, performed by us on the Company, it has used accounting software systems for maintaining their respective books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of audit, we have not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

“Annexure – A” to the Auditors’ Report

(Referred to in paragraph 2(f) under ‘Report on other legal and regulatory requirements’ section of our report to the members of Torrid Solar Power Private Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Torrid Solar Power Private Limited ("the Company") as of March 31, 2025, in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with Reference to these Financial Statements

A Company's internal financial control over financial reporting with reference to these Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting with reference to these Ind AS financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Ind AS financial statements and such internal financial controls over financial reporting with reference to these Ind AS financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

“Annexure - B” to the Independent Auditors’ Report

(Referred to in paragraph 1 under ‘Report on other legal and regulatory requirements’ section of our report to the members of Torrid Solar Power Private Limited of even date)

1. Fixed Assets:

- a) (A) In our opinion and according to the information and explanations given to us, the Company is maintaining proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
(B) The Company does not have any intangible assets.
- b) The property, plant and equipment of the Company were physically verified by the management during the year. According to the information and explanations given to us and as examined by us, no material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and the records examined by us, we report that the Company does not hold any freehold land as at the balance sheet date. In respect of immovable properties of land that have been taken on lease, the lease agreements as per Power purchase agreement entered with farmer are in the name of the Company.
- d) The Company has not revalued its property, plant and equipment during the year.
- e) In our opinion and according to the information and explanations given to us, there are no proceedings initiated or are pending against the Company for holding any Benami Property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.

2. Inventories:

- a) In our opinion and according to the information and explanations given to us, and on the basis of our examination of the books of account, the Company does not have any inventory as on 31st March,2025.
- b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year.

3.

- a) In our opinion and according to information and explanation given to us, the Company has made loans in the nature of unsecured loans to holding company.
- b) The aggregate amount of transaction during the year and balance outstanding at the balance sheet date with respect to loan to holding company is Rs. 63,100 (*in '000s*) and Rs. 1,16,929 (*in '000s*) respectively.
- c) In our opinion and according to information and explanation given to us, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the company’s interest.

- d) The terms of arrangement do not stipulate any repayment schedule and the loans are repayable on demand.
- e) In our opinion and according to information and explanation given to us, the company has granted the loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment aggregating to Rs. 63,100 (*in '000s*) (100% to the total loans and advances in the nature of loans granted during the year). The aggregate of loans granted to related parties as defined in clause (76) of section 2 of the Companies Act, 2013 is Rs. 63,100 (*in '000s*)
- f) Since the term of arrangement do not stipulate any repayment schedule and the loans are repayable on demand, no question of overdue amounts will arise in respect of the loans granted to the parties listed in the register maintained under section 189 of the Act.

4. In our opinion and according to information and explanation given to us, in respect of loans, investments, guarantees and security, the Company has complied with the provisions of section 185 and section 186 of the Companies Act, 2013.

5. The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 regarding to the deposits accepted from the public are not applicable.

6. The maintenance of cost records has been specified by the Central Government under sub – section (1) of section 148 of the Act, in respect of the activities carried on by the company. However, the overall turnover from all its products and services is less than 35 crores in the preceding financial year. Hence, reporting under clause (vi) is not applicable to the company.

7. In respect of statutory dues:

- a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has generally been regular in depositing undisputed statutory dues including Income-Tax, Good and Service tax (GST), Cess and any other statutory dues with the appropriate authorities. There were no undisputed amounts payable in respect of the above as at March 31, 2025 for a period of more than six months from the date on when they become payable.
- b) According to the information and explanations given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, Good and Service tax (GST) outstanding on account of any dispute.

8. In our opinion and according to the information and explanations given to us, there are no transactions not recorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

9.

- a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans to banks or in the payment of interest thereon to any lender during the year.
- b) In our opinion and according to the information and explanations given to us, the term loans obtained have been used for the purposes for which they were taken.

15. Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of section 192 and clause(xv) of the Order are not applicable to the Company.

b) The company did not have an internal audit system, the provision of paragraph 3, clause (xv)(b) of the order regarding the use of an internal audit report are not applicable.

a) In our opinion and according to the information and explanations given to us, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013.

14. 13. In our opinion and according to the information and explanations given to me, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Ind AS Financial Statements as required by the applicable accounting standards.

12. The Company is not a Nidhi Company. Therefore, the provisions of clause(xii) of the Order are not applicable to the Company.

c) To the best of our knowledge and according to the information and explanations given to us, no whistle-blower complaints, have been received by the Company during the year.

b) No report under subsection (12) of section 143 of the Companies Act has been filed in form ADT-4 as prescribed under the rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the central government, during the and up to the date of this report.

11. b) In our opinion and according to the information and explanations given to us, the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, no fraud by the Company or no material fraud on the Company by any person has been noticed or reported during the year. Accordingly, clause(xii)(a) of the Order is not applicable.

a) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause(x) (a) of the Order is not applicable.

10. e) The Company does not have any subsidiaries/ associates/ joint-ventures and according to paragraphs 3 (ix) (e) and 3 (ix) (f) of the Order are not applicable.

d) In our opinion and according to the information and explanations given to us, funds raised on short term basis have not been utilized for long-term purposes.

c) In our opinion and according to the information and explanations given to us, the Company is not declared as a willful defaulter by any bank or financial institution or other lender.

16.

- a) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause(xvi)(a) and (b) of the Order are not applicable.
- b) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) and it does not have any other companies in the Group as a CIC. Accordingly, paragraph 3 (xvi)(c) and (d) of the Order are not applicable.

17. The Company has not incurred any cash losses in the current financial year and in the immediately preceding financial year.

18. There has been no resignation of the statutory auditors during the year. Accordingly, clause(xviii) of the Order is not applicable.

19. In our opinion and according to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the board of directors and management plans, there are no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on facts up to the date of audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

20. In our opinion and according to the information and explanations given to us, section 135 of Companies act is not applicable to the company. Accordingly, reporting under clause3(xx)(a) and (b) of the order is not applicable for the year.

21. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

Cash Flow Statement for the year ended March 31, 2025

(Rs. In '000)

Particulars

A. Cash flow from operating activities

| | For the year ended 31 March 2025 | For the year ended 31 March 2024 |
|--|-------------------------------------|-------------------------------------|
| Net Profit/ (Loss) before tax | (1,295) | 8,427 |
| <i>Adjustments for:</i> | | |
| Depreciation | 3,670 | 3,675 |
| Interest income | (196) | (1) |
| Interest expense | 9,977 | 3,762 |
| Bad Debt | 2,656 | |
| Operating loss before working capital changes | 12,157 | 15,864 |
| Adjustments for (increase) / decrease in operating assets : | | |
| Adjustments for increase / (decrease) in operating liabilities : | | |
| Inventories | | 190 |
| Trade Receivables | 1,522 | 43,702 |
| Other Current Assets | (90) | 32 |
| Trade Payables | (24) | (135) |
| Other Financial Liabilities | (7,056) | 1,827 |
| Other Current Liabilities | 1 | 52 |
| Cash used in operations | 6,510 | 61,532 |
| Net cash flow from / (used) operating activities | 6,510 | 61,532 |

B. Cash flow from investing activities

| | | |
|---|-----------------|-----------------|
| Purchase of Fixed Assets | (5,037) | (2,870) |
| Loan given to related parties | (49,132) | (58,816) |
| Interest Received | 161 | 138 |
| Net cash flow from / (used) investing activities | (54,008) | (61,547) |

C. Cash flow from financing activities

| | | |
|--|---------------|----------|
| Proceeds from / (Repayment of) Non Current Borrowings | 54,998 | - |
| Interest Paid | (5,695) | - |
| Net cash flow from / (used) in financing activities | 49,304 | - |

Net increase / (decrease) in cash and cash equivalents (A+B+C)

| | | |
|--|--------------|------------|
| Cash and cash equivalents at the beginning of the year | 1,806 | (16) |
| Cash and cash equivalents at the end of the period | 152 | 168 |
| Cash and cash equivalents as per cash flow statement | 1,959 | 152 |
| Cash on hand | 1,959 | 152 |
| Balance with banks in current account | 1,959 | 152 |
| Cash and cash equivalents as per Balance sheet | 1,959 | 152 |

Notes

1. The cash flow statement is prepared under Indirect Method as set out in Ind AS 7, Statement of Cash Flows notified under section 133 of the Companies Act, 2013.
2. Reconciliation of cash and cash equivalents with the Balance Sheet.

TORRID SOLAR POWER PRIVATE LIMITED

CIN: U74999KA2017PTC102966

Notes to Standalone Financial Statements for the year ended 31 March 2025

1. Corporate Information

TORRID SOLAR POWER PRIVATE LIMITED was incorporated on May 2017 having its registered office in Karnataka, registered under the Companies Act 2013. It is formed to act as a Special Purpose Vehicle (SPV) for the limited purpose to develop, execute, manage and run solar power generation project.

2. Basis of Preparation

a. Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 (as amended)] and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Details of the Company's material accounting policies are included in Note 3.

b. Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities (including derivative instruments) that are measured at fair value;
- defined benefit plans - plan assets measured at fair value; and
- share-based payments measured at fair value.

c. Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

d. Functional and presentation currency

Items included in the financial statements of the entity are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee, which is the Company's functional and presentation currency.

e. Use of estimates

In preparing these financial statements, Management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized prospectively.

Judgements are made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements and the same is disclosed in the relevant notes to the financial statements.

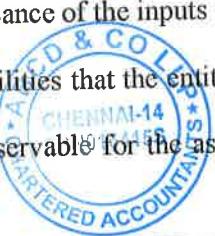

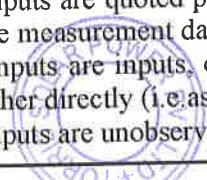

Assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment are reviewed on an on-going basis and the same is disclosed in the relevant notes to the financial statements.

f. Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and /or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e., derived from prices);
- Level 3 inputs are unobservable inputs for the asset or liability.

3. Material Accounting Policies

a. Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods or services are rendered to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes or other amounts collected from customers in its capacity as an agent. If the consideration in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

b. Property, plant and equipment

i. Tangible

Tangible property, plant and equipment (PPE) acquired by the Company are reported at acquisition cost less accumulated depreciation and accumulated impairment losses, if any. The acquisition cost includes any cost attributable for bringing an asset to its working condition net of tax/duty credits availed, which comprises of purchase consideration and other directly attributable costs of bringing the assets to their working condition for their intended use. PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

ii. Depreciation

Depreciable amount for tangible property, plant and equipment is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/residual value is accounted on prospective basis. Depreciation for additions to/deductions on owned assets is calculated pro rata to the remaining period of use. Depreciation charge for impaired assets is adjusted in future periods in such a manner that the revised carrying amount of the asset is allocated over its remaining useful life. All capital assets with individual value less than Rs. 5,000 are depreciated fully in the year in which they are purchased. Depreciation for the Company is being calculated on Straight line method.

iii. Subsequent Cost

Subsequent expenditure including cost of major overhaul and inspection is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of any component recognized as a separated component is derecognized when replaced. All other repairs and maintenance are recognized in profit or loss as incurred.

iv. Impairment of assets

Upon an observed trigger or at the end of each accounting year, the Company reviews the carrying amounts of its PPE, investment property and intangible asset to determine whether there is any indication that the asset have suffered an impairment loss. If such indication exists, the PPE, investment property and intangible assets are tested for impairment so as to determine the impairment loss, if any.

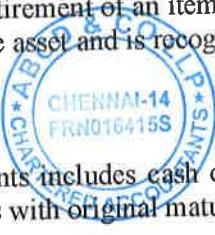

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is the higher of fair value less cost of disposal and value in use.

v. De-recognition of property, plant and equipment and intangible asset

An item of PPE and intangible assets is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

c. Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of

three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

d. Income Taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. The Company measures its tax balances for uncertain tax positions either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and for unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously within the same jurisdiction.

Current and deferred tax for the year

Current and deferred tax is recognized in statement of profit and loss, except to the extent that it relates to item recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

e. Provisions, and Contingencies

Provisions are recognized when the Company has a present obligation (legal or constructive) as result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense. A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provision for onerous contracts i.e., contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on reliable estimate of such obligation.

f. Earnings Per Share

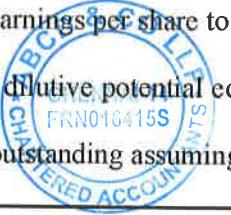

(i) Basic earnings per share

Basic earnings per share is calculated by dividing: - the profit attributable to owners of the Company - by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

- potentially issuable equity shares, that could potentially dilute basic earnings per share, are not included in the calculation of diluted earnings per share when they are anti-dilutive for the period presented.

g. Cash Flow Statements

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

h. Financial Instruments:

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on entity's business model for managing the financial assets and the contractual terms of the cash flow.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Recognition

Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sale the financial asset.

Subsequent Measurement

Debt Instruments

i) Financial Assets carried at Amortized Cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in other income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss. Impairment losses are presented as a separate line item in statement of profit and loss.

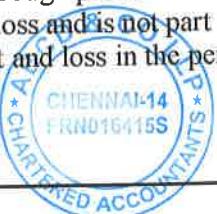

ii) Financial Assets at Fair Value through Other Comprehensive Income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to the statement of profit and loss and recognised under other income/ other expenses. Interest income from these financial assets is included in other income using the effective interest rate method.

iii) Financial Assets at Fair Value through Profit or Loss

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss and presented net in the statement of profit and loss in the period in which it arises. Interest income from these financial assets is included in other income.

iv) Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the Company has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments are recognized in profit or loss as other income when the Company's right to receive payments is established. Changes in the fair value of financial assets at fair value through profit or loss are recognized in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

v) Impairment of Financial Assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL, as applicable, as the case may be. The amount of ECLs (or reversals, if any) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in the profit or loss.

vi) Financial Liabilities

Financial liability and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination, which is subsequently measured at fair value through profit or loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

vii) Derecognition of Financial Instruments

Financial Asset

A financial asset is derecognized only when

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset.

Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

Financial Liability

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

i. Inventories

Inventories (raw material - components including assemblies and sub assemblies) are stated at the lower of cost and net realisable value. Cost of inventory includes cost of purchases and all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the basis of weighted average method. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

j. Trade Receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. The Company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue.

A receivable is a right to consideration that is conditional only upon passage of time. Revenue in excess of billings is recorded as unbilled revenue and is classified as a financial asset as only the passage of time is required before the

payment is due. Invoicing in excess of earnings are classified as contract liabilities which is disclosed as deferred revenue.

Trade receivables and unbilled revenue are presented net of impairment in the Balance Sheet.

k. Trade Payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are usually unsecured. Trade payables are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method.

l. Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in Statement of profit and loss under other expenses.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of material provision of a long term loan arrangement on or before the date of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before approval of the financial statements for issue, not to demand payment as a consequence of the breach.

m. Recent MCA Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any impact in its financial statements.

b. Rights, preferences and restrictions attached to preference shares

0.01 % Optionally convertible non-cumulative preference shares were issued in the month of August' 20 (14670489 Shares @ Rs.10) pursuant to the share holders agreement. Optionally convertible non - cumulative preference shares are convertible into equity share of par value Rs.10/- in the ratio of 1:1.

These preference shares are convertible at any time on or before the end of nineteenth year from the date of issuance at the option of the company. Preference shares shall be mandatorily converted to equity shares upon completion of a period of 19 years and 11 months from the date of issuance and allotment of such preference shares. The holders of these shares are entitled to a non-cumulative dividend 0.01%. Preference shares carry a preferential right as to dividend over equity shareholders. The preference shares are entitled to one vote per share at meetings of the Company on any resolutions of the Company directly involving their rights.

| Other Financial Liabilities | - | - | 8,898 | - | - | - |
| TOTAL LIABILITIES | - | - | 44,749 | - | - | - |

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

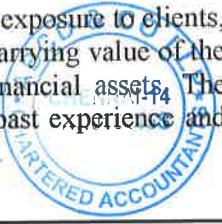

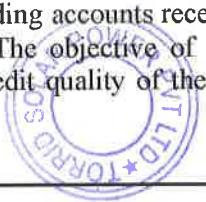

B. Financial risk management

The Company's activities expose it to a variety of financial risks: credit risk, interest rate risk liquidity risk and foreign currency risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary risks to the Company are credit and liquidity risk.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below:

i. Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets.⁴ The company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The carrying amount of financial assets represents the maximum credit exposure which is as follows:

| | Carrying amount | |
|---------------------------|-----------------|---------------|
| | As at | As at |
| | 31 March 2025 | 31 March 2024 |
| Trade receivables | 2,278 | 3,800 |
| Cash and cash equivalents | 1,959 | 152 |
| Loans | 1,16,929 | 67,797 |
| Other Financial Assets | 5,125 | 53 |
| | 1,26,290 | 71,803 |

Trade receivables

Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Cash and cash equivalents

The Company held cash and cash equivalents with credit worthy banks as at the reporting dates which has been measured on the 12-month expected loss basis. The credit worthiness of such banks and financial institutions are evaluated by the management on an ongoing basis and is considered to be good with low credit risk.

Loan

The Company considers the probability of default upon initial recognition of loan and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk, the Company compares the risk of a default occurring on the loan as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward-looking information.

Other financial assets

This comprises of deposit with banks. The company limits its exposure to credit risks arising from these financial assets and there is no collateral held against these because counter parties are banks. Banks have high credit ratings assigned by credit rating agencies.

ii. Liquidity Risk

Liquidity risk is the risk that the company will encounter difficulty in meeting obligation, associated with financial liabilities that are settled by delivering cash or another financial asset. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities. The Company has access to a sufficient variety of sources of funding. Having regards to the nature of the business wherein the Company is able to generate fixed cash flows over a period of time and to optimize the cost of funding, the Company, from time to time, funds its long -term investment from short-term sources. The short-term borrowings can be roll forward or, if required, can be refinanced from long term borrowings. In addition, processes and policies related to such risks are overseen by senior management.

The table below provides details regarding the contractual maturities of significant financial liabilities as at 31 March 2025 and 31 March 2024.

| Particulars | As at 31 March 2025 | | | Total |
|-----------------------------|-----------------------|--------------|----------------------|---------------|
| | Less than one year | 1-2 years | 2 years and above | |
| Borrowings | 3,426 | 3,291 | 88,383 | 95,100 |
| Trade Payables | 8 | - | - | 8 |
| Other Financial Liabilities | 1,841 | - | - | 1,841 |
| Total | 5,276 | 3,291 | 88,383 | 96,950 |

| Particulars | As at 31 March 2024 | | | (Rs. In '000) |
|-----------------------------|---------------------|-----------|-------------------|---------------|
| | Less than one year | 1-2 years | 2 years and above | |
| Borrowings | - | - | 35,819 | 35,819 |
| Trade Payables | 32 | - | - | 32 |
| Other Financial Liabilities | 8,898 | - | - | 8,898 |
| Total | 8,930 | - | 35,819 | 44,749 |

iii Foreign Currency Risk

The Company's operations are largely within India and hence the exposure to foreign currency risk is very minimal.

iv. Interest Rate Risk

Interest rate risk is the risk that an upward movement in the interest rate would adversely effect the borrowing cost of the company. The Company is exposed to long term and short-term borrowings. The Company manages interest rate risk by monitoring its mix of fixed and floating rate instruments and taking action as necessary to maintain an appropriate balance.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows:

Market Risk

a) Interest rate risk exposure

| | As at 31 March 2025 | As at 31 March 2024 |
|-------------------------|------------------------|------------------------|
| Variable Rate Borrowing | 55,079 | - |
| Total | 55,079 | - |

b) Sensitivity analysis

| | Impact on profit after tax | |
|--|----------------------------|------------------------|
| | As at 31 March 2025 | As at 31 March 2024 |
| Interest rates - increase by 50 basis points | (206) | - |
| Interest rates - decrease by 50 basis points | 206 | - |

30. Capital Management

The Company's objectives of capital management is to maximize the shareholder value. In order to maintain or adjust the capital structure, the Company may adjust the return to shareholders, issue/ buyback shares or sell assets to reduce debt. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

The Company monitors capital using a gearing ratio, which is Adjusted net debt divided by Adjusted net debt plus Total capital as below.

- Total Capital includes equity share capital and all other equity components attributable to the equity holders
- Adjusted Net debt includes borrowings (non-current and current) less cash and cash equivalents (including bank balances other than cash and cash equivalents and margin money deposits with banks)

(Rs. In '000)

| Particulars | As at | |
|-------------------------------------|--------------------|------------------------|
| | 31 March 2025 | As at 31 March 2024 |
| Borrowings | | |
| Long term and Short Term Borrowings | 95,100 | 35,819 |
| Less: Cash and Cash equivalents | 1,959 | 152 |
| Adjusted Net Debt | (i) | 93,142 |
| Capital Components | | |
| Equity Share Capital | 100 | 100 |
| Other Equity | 1,00,851 | 1,02,984 |
| Total Capital | (ii) | 1,00,951 |
| Capital and Borrowings | (iii)=i+ii) | 1,94,093 |
| Gearing Ratio % | (i/iii) | 48% |
| | | |
| | | |

No changes were made in the objectives, policies or processes for managing capital during the current year.

31. Financial Ratios

| Particulars | Numerator/Denominator | 2024-25 | | 2023-24 | | Variance (in %) |
|--|---------------------------|----------|-------|----------|-------|--------------------|
| | | Amount | Ratio | Amount | Ratio | |
| a) Current ratio ¹ | Current Asset | 4,718 | 0.91 | 4,345 | 0.48 | 88% |
| | Current Liability | 5,196 | | 8,984 | | |
| b) Debt-Equity ratio ² | Total Liabilities (Debt) | 95,100 | 0.94 | 35,819 | 0.35 | 171% |
| | Shareholders Equity | 1,00,951 | | 1,03,084 | | |
| c) Debt service coverage ratio | EBITDA | 12,352 | 1.36 | 15,870 | NA | NA |
| | Principal + Interest | 9,115 | | - | | |
| d) Return on equity ratio ³ | Net Profit | (2,133) | -2% | 5,221 | 5% | -142% |
| | Shareholders Equity | 1,00,951 | | 1,03,084 | | |
| e) Inventory turnover ratio | Net Sales | 21,811 | NA | 22,335 | NA | NA |
| | Average Inventory | - | | - | | |
| f) Trade receivables turnover ratio ⁴ | Net Credit Sales | 21,811 | 7.18 | 22,335 | 0.87 | 724% |
| | Average Trade Receivables | 3,039 | | 25,651 | | |
| g) Trade payables turnover ratio | Net Credit Purchase | - | NA | - | NA | NA |
| | Average Trade Payables | 20 | | 100 | | |
| h) Net capital turnover ratio* | Turnover | 21,811 | NA | 22,335 | NA | NA |
| | Working Capital | (478) | | (4,639) | | |
| i) Net profit ratio ⁵ | Net Profit | (2,133) | -0.10 | 5,221 | 0.23 | -142% |
| | Turnover | 21,811 | | 22,335 | | |
| j) Return on capital employed ⁶ | EBIT | 8,682 | 5% | 12,195 | 9% | -49% |
| | Capital Employed | 1,92,760 | | 1,38,904 | | |
| k) Return on Assets ⁷ | Net Profit | (2,133) | -1% | 5,221 | 4% | -134% |
| | Average Total Assets | 1,72,922 | | 1,42,525 | | |

Note:-

Total Debt = long term Borrowings + current maturities of long term borrowings

EBITDA = Earnings before Interest, Taxes, Depreciation and Amortization

Principal + Interest = scheduled principal repayment of long-term borrowing + Interest Expense (Except Interest related to ICD)

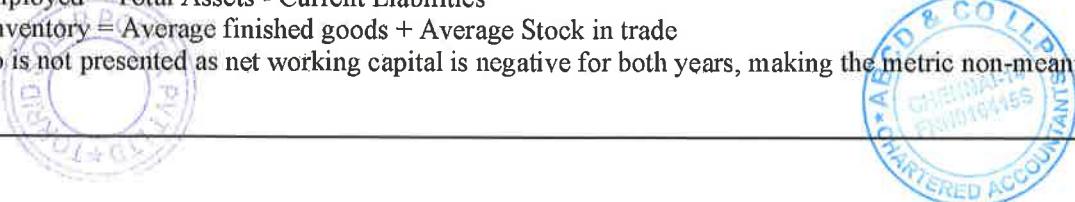

Working Capital = Current Assets - Current Liabilities

EBIT = Earnings before Interest and Taxes.

Capital Employed = Total Assets - Current Liabilities

Average inventory = Average finished goods + Average Stock in trade

* The ratio is not presented as net working capital is negative for both years, making the metric non-meaningful for analysis

Explanation

1. The positive impact in current ratio is due to decrease in current liability
2. The adverse impact in Debt-Equity ratio is due to increase in Debt
3. The adverse impact in Return on equity ratio is due to decrease in net profit
4. The positive impact in Trade receivables turnover ratio is due to decrease in average trade receivable
5. The adverse impact in Net Profit ratio is due to decrease in net profit
6. The adverse impact in Return on capital employed is due to decrease in net profit
7. The adverse impact in Return on Assets is due to decrease in Net Profit

32. Conversion of OCRPS to OCD

The Company filed a Scheme of Arrangement under Sections 230 and 66 of the Companies Act, 2013 with the Hon'ble NCLT, Bengaluru Bench, for conversion of 0.01% Non-Cumulative Optionally Convertible Preference Shares into 0.01% Non-Cumulative Optionally Convertible Debentures of the Company. The matter was heard and is listed for order pronouncement on 30th May 2025.

33. Segment Reporting

The Company is mainly engaged in the business of generation and selling of power in India. Based on the information reported for the purpose of resource allocation and assessment of performance, there are no reportable segments in accordance with the requirements of Indian Accounting Standard 108-'Operating Segments', notified under the Companies (Indian Accounting Standards) Rules, 2015.

34. In order to simplify numerical data and enhance the clarity of our presentations, we have rounded figures to the nearest thousands as per the requirement of Ind AS Schedule III Amendments. While this approach helps to make data easier to interpret, it can sometimes result in a total mismatch between individual figures and their sum when rounded.

35. Additional regulatory information

a) Details of benami property held

No proceedings have been initiated on or are pending against the Company under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder.

b) Borrowing secured against current assets

The Company has borrowing limits sanctioned from banks and financial institutions, which are secured by a charge over the current assets, including inventories and trade receivables. In accordance with the terms of the borrowing arrangements, the Company is not required to submit periodic returns or statements of current assets to the lenders.
