Material Uncertainty Related to Going Concern

- 4) We draw your attention to Note 2 of the standalone financial results which states that the Company has incurred losses during the year ended 31st March 2020 due to which the net worth has been fully eroded as at such date. We also draw your attention to Note 3 of the standalone financial results wherein a substantial portion of the Company's business is proposed to be restructured and transferred on a slump sale basis. The notes referred to in this paragraph in conjunction, give rise to a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. As more fully explained in such Note 2 of the standalone financial results it is considered appropriate by the management to prepare the financial statements on a going concern basis. Our opinion is not modified in respect of this matter.

Emphasis of Matter

- 5) We draw your attention to Note 3 of the standalone financial results which more fully describes the transaction which the Company has entered into vide a Framework agreement dated June 23, 2020 wherein the proposed restructuring is being undertaken to primarily separate the completed projects from the under-development projects and transfer such under-development projects along with the engineering, procurement and construction ("EPC") business and the Trademark "SunEdison" by way of a slump sale on a going concern basis to an entity which is incorporated along with the participation of certain identified external investors. Our opinion is not modified in respect of this matter.
- 6) We draw your attention to Note 4 of the standalone financial results, wherein management has assessed that there is no material impact in the financial statements due to lockdown and related restrictions imposed towards COVID 19 pandemic. Management continues to monitor all material changes to the Company's internal and external environment due to the Covid-19 pandemic. Our opinion is not modified in respect of this matter.

Board of Directors' Responsibilities for the Interim Standalone Financial Results

- 7) The standalone financial results have been compiled from the related audited Interim Condensed Standalone financial statements. The Company's Board of Directors are responsible for the preparation and presentation of these interim standalone financial results that give a true and fair view of the total comprehensive income (comprising profit and other comprehensive income), other financial information of the Company, the standalone balance sheet and the standalone cash flow statement in accordance with Ind AS 34 prescribed under Section 133 of the Act read with the relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the standalone financial results by the Directors of the Company, as aforesaid.
- 8) In presenting the standalone financial results, the Board of Directors of the Company are responsible for assessing the ability of the Company to continue as a going concern disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

9) The Board of Directors are responsible for overseeing the financial reporting process of the Company.

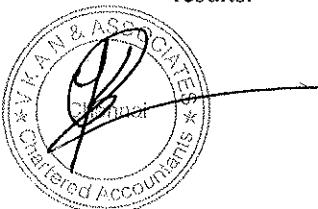

Auditor's Responsibilities for the Audit of the Standalone Financial Results

10) Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

11) As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. But not for the purpose of expressing an opinion on the effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

12) Materiality is the magnitude of misstatements in the standalone financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results maybe influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

V K A N & Associates

Chartered Accountants

13) We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matters

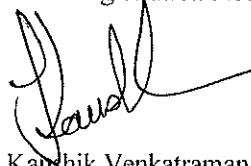

14) The standalone financial results include the results for the quarter ended March 31, 2020 being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year, which are subject to limited review by us.

15) The comparative Ind AS financial information of the Company for the previous year ended March 31, 2019, included in these standalone financial results, were audited by the predecessor auditor who expressed an unmodified opinion on 30th May 2019.

3. The net worth of a subsidiary (SEI Tejas Private Limited) has been fully eroded as at 31st March, 2020 and such subsidiary has also incurred a loss during year ended on such date thereby raising substantial doubt about the subsidiary's ability to continue in operation for the foreseeable future. However, the standalone Ind AS financial statements of such subsidiary has been prepared on a going concern basis as some of the related parties within the group structure are willing to give financial support in the form of short term borrowings to enable it to meet its working capital related obligations and the management of such subsidiary is confident that such support will continue until such time it is able to meet such obligations on its own.

Basis for Qualified Opinion

- 3) Our report on the consolidated financial results is qualified in respect of the matter, state below, in relation to two subsidiaries:

Further to Note 5 of the consolidated financial results liabilities aggregating to Rs. 1448.98 lakhs outstanding under borrowings, trade payables and other current liabilities do not have sufficient appropriate audit evidence to corroborate the management's assessment of such obligations. Hence, we are unable to determine whether any adjustment might be necessary to such amounts and the corresponding impact on results and net worth as disclosed in the consolidated financial results.

- 4) We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Results' section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Related to Going Concern

- 5) We draw your attention to Note 2 of the consolidated financial results which states that the Group has incurred losses during the year ended 31st March 2020 due to which the net worth has been fully eroded as at such date. We also draw your attention to Note 6 of the consolidated financial results wherein a substantial portion of the Company's business is proposed to be restructured and transferred on a slump sale basis. The notes referred to in this paragraph in conjunction, give rise to a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. As more fully explained in such Note 2 of the consolidated financial results it is considered appropriate by the management to prepare the financial statements on a going concern basis. Our opinion is not modified in respect of this matter.
- 6) We draw your attention to Note 3 of the consolidated financial results which details that the net worth of a subsidiary (SEI Tejas Private Limited) has been fully eroded as at 31st March, 2020 and such subsidiary has also incurred a loss during year ended on such date thereby raising substantial doubt about the subsidiary's ability to continue in operation for the foreseeable future. However, the standalone Ind AS financial statements of such subsidiary has been prepared on a going concern basis as some of the related parties of such subsidiary have been according financial support in the form of short term borrowings to enable it to meet its working capital related obligations and the management of such subsidiary is confident that such support will continue until such time it is able to meet such obligations on its own. Our opinion on the statement is not modified in respect of the above matter.

Emphasis of Matter

- 7) We draw your attention to Note 6 of the consolidated financial results which more fully describes the transaction which the Company has entered into vide a Framework agreement dated June 23, 2020 wherein the proposed restructuring is being undertaken to primarily separate the completed projects from the under-development projects and transfer such under-development projects along with the engineering, procurement and construction ("EPC") business and the Trademark "SunEdison" by way of a slump sale on a going concern basis to an entity which is incorporated

along with the participation of certain identified external investors. Our opinion is not modified in respect of this matter.

- 8) We draw your attention to Note 7 of the consolidated financial results, wherein management has assessed that there is no material impact in the financial statements due to lockdown and related restrictions imposed towards COVID 19 pandemic. Management continues to monitor all material changes to the Company's internal and external environment due to the Covid-19 pandemic. Our opinion is not modified in respect of this matter.
- 9) We draw attention to Note 4 of the consolidated financial results where a subsidiary had transactions in foreign currency with parties outside India relating to various contracts. As at the balance sheet date, there are balances which are receivable/payable from such parties outstanding beyond the period permitted under RBI/FEMA regulations. Moreover, relevant annual filings and returns required to be filed under RBI/FEMA regulation with respect to foreign currency transactions/balances have not yet been carried out by such subsidiary. The subsidiary is in the process of initiating necessary actions to comply with the relevant requirements under RBI/FEMA regulations. Our opinion on the statement is not modified in respect of this matter.

Board of Directors' Responsibilities for the Interim Consolidated Financial Results

- 10) These Consolidated financial results have been prepared on the basis of the related audited interim condensed consolidated financial statements. The Parent's Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the total comprehensive income (comprising loss and other comprehensive income) and other financial information of the Group and the consolidated balance sheet and the consolidated cash flow statement in accordance with Ind AS 34 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error, which have been used for the purpose of preparation of the interim consolidated financial results by the Directors of the Parent company, as aforesaid.
- 11) In preparing the interim consolidated financial results, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group and its Associate and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
- 12) The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Interim Consolidated Financial Results

13) Our objectives are to obtain reasonable assurance about whether the interim consolidated financial results as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these interim consolidated financial results.

14) As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide the basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the interim consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the interim consolidated financial results. We are responsible for the direction, supervision and performance of the audit of financial results /information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

15) Materiality is the magnitude of misstatements in the consolidated financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial results maybe influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the interim consolidated financial results.

V K A N & Associates

Chartered Accountants

16) We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

17) We did not audit the financial statements of three subsidiaries included in the consolidated financial results, whose financial statements reflect total assets of Rs. 20,075.17 lakhs as at March 31, 2020, total revenues of Rs. 737.40 lakhs, total comprehensive income (comprising loss and other comprehensive income) of Rs. 515.31 lakhs and cash outflows (net) of Rs. 290.48 lakhs for the year ended March 31, 2020, as considered in the consolidated financial results. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 14 above. Our conclusion is not modified in respect of this matter.

18) Our opinion on the consolidated Financial Results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

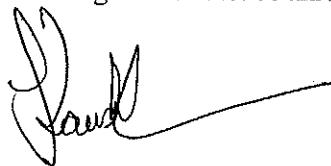

19) The consolidated Financial Results include the results for the quarter ended March 31, 2020 being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year, which are subject to limited review by us.

20) The comparative consolidated Ind AS financial statements of the Group for the year ended March 31, 2019, were audited by predecessor auditor who expressed a modified opinion on such financial information on May 30, 2019.

subsequent action taken by the Exchange in this regard shall be placed before the Board of Directors of the company in its next meeting. Comments made by the board shall be duly informed to the Exchange for dissemination.

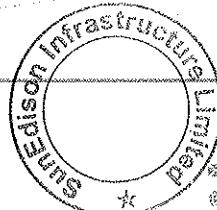

Board of Directors Comments on the above:

The Company is carrying on its operations on a limited scale primarily through Work-from-Home for our employees effective from 23 March 2020, as was the Government's mandate on effective measures for prevention against spread of COVID-19. Based on the guidelines issued by the MHA and the Government of Tamilnadu, the company resumed its operations w.e.f. May 04, 2020 with skeletal staff, ensuring all preparatory arrangements with regard to social distancing in office and other State and sectoral requirements.

An upsurge in Covid-19 cases, the Government of Tamilnadu had announced a complete lockdown for 12 days with effect from 19 June 2020 to June 30 2020. A handful of employees from our Group Companies, who were working from home, had also tested positive for Coronavirus. Some of them have recovered and a couple are recovering still.

Few employees of other companies carrying operations in various floors of Bascon Futura ("the Registered Office of the Company") had tested positive and the Management of Bascon Futura restricted access to the Building as it had to cordoned-off as per the Government guidelines and eventually only extremely minimal no. of employees per floor were allowed.

This has been an immense challenge for our Company to meet the deadlines for submitting the audited financial results (standalone and consolidated) for the quarter and year ended March 31, 2020 on or before July 31, 2020. However, the Company remains positive during the crisis and looks forward to restoration of normal circumstances soon.
